\* Genuine Leather (Grade GL) is both luxurious and practical. It is soft, supple and extraordinarily adaptable. Our leather program is appealing and complements both traditional and contemporary styling, with a broad color selection. The look of this leather is greatly enhanced by a number of natural markings that are part of the beauty and nature of genuine leather. Their unique look and durable characteristics make each piece a classic.

Leather Finesse (Grade AL) uses handsome, genuine top grain leather in all the places the body touches, inside seat and back, and arms. Quality Vinyl (Grade DV) is used in all non-contact areas, outside back and sides.
